Authorization for this examiner's amendment was given in a telephone interview with Frederick J Dorchak on July 25, 2008.

The application has been amended as follows:

In claim 1, line 12 of the claim, after "depressions (10)", change "for accommodating" to --surrounding--.

In claim 4, line 2 of the claim, after "claim", change "3" to --1--.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is a throttle flap valve having the combination of two clamp halves which have two ring shaped depressions that both surround the flanges that press against the seal element and are raised higher than the portion of the

clamp halves that are in contact with the seal element with the flanges having both positively locked and have rotation symmetry.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
